No. C10-2070 MJP

DECLARATION OF JOSEPH
SELLARS

I, Joseph Sellars, declare and state as follows:

1. ***Identity of Declarant.*** I am one of the owners of record of the property having a common address of 2525 Center Road, Everett, Washington 989024, and identified by tax parcel number 00538000016202 (the "Main Property"). I also have an interest in vacant parallel property at the same address through a company known as LB Enterprises, and that property has a tax parcel number of 00538000016201 (the "Vacant Property"). I have personal knowledge of the facts stated in this Declaration and, to the best of my knowledge, they are true and correct. If called as a witness, I would be competent to testify to these matters.

1 2. **Ownership of the Main Property.** In 2006, Gregory Greene and I acquired the
2 Main Property via a trustee deed, through our corporate entity, LB Enterprises & Foundation
3 Financial Partners LLC. That trustee's deed was recorded in Snohomish County under auditor
4 number 200607070442, and a true and correct copy is attached hereto as Exhibit A. In
5 February 2007, LB Enterprises quitclaimed its interest in the Main Property to Greg Greene
6 and me, so I could secure financing for it. Attached as Exhibit B is a true and correct copy of
7 that quitclaim deed, which was recorded in Snohomish County on February 21, 2007, under
8 auditor number 200702210632.

9 3. **Washington Mutual Loan.** On or about February 23, 2007, I borrowed
10 \$298,000 from Washington Mutual Bank, FA ("WaMu") (the "Loan"), and secured the Loan
11 with the Main Property via a Deed of Trust. A true and correct copy of the Promissory Note is
12 attached hereto as Exhibit C. Mr. Greene was not a borrower on the Loan because he could not
13 qualify for the loan. The Deed of Trust securing the Loan was recorded in Snohomish County
14 under auditor number 200702270788. A true and correct copy of that Deed of Trust is attached
15 hereto as Exhibit D.

16 4. **Initial Payments on the Loan.** For the first few years of the life of the Loan, I
17 made my monthly mortgage payments directly to WaMu, and then Chase. A renter was living
18 in the Main Property and she paid rent directly to me. At that time, I also owned several other
19 properties and, because of the economic downturn, I was unable to maintain all my monthly
20 mortgage payments. As a result, by late 2008 and early 2009, I missed several mortgage
21 payments and was in default of the Loan.

22 5. **Introduction to IBB&A.** In 2009, a friend of a friend, Heidi Brown-Velez,
23 introduced me to Josh Auxier. At that time, both Mr. Auxier and Ms. Brown-Velez were
24 working at International Business Brokers & Affiliates ("IBB&A"). It was my understanding
25 that IBB&A was looking for properties that it could build mini-storage units on and, ultimately,
26
27

1 Mr. Greene and I agreed to enter into a contract with IBB&A that gave it the option to buy both
2 the Main Property and the Vacant Property, if it satisfied certain conditions.

3 6. ***Transfer of Future Interest in the Main Property to IBB&A.*** On or about
4 March 19, 2009, Mr. Greene and I entered into a Residential Real Estate Purchase and Sale
5 Agreement (the “Sale Agreement”) with IBB&A. A true and correct copy of the Sale
6 Agreement is attached hereto as Exhibit E. Under the Sale Agreement, IBB&A was to bring my
7 Loan current, take over management of the Main Property (including collecting rent generated
8 from the Main Property), and make all monthly mortgage payments. IBB&A also had the
9 option to buy the Main Property within one year of the date of the Sale Agreement. This deal
10 was attractive to me because IBB&A would be paying the Loan’s monthly payments, and, as I
11 mentioned, I had several other properties to attend to. I did not intend to transfer any ownership
12 interest in the Main Property until IBB&A paid the Loan in full, and this is evidenced in the
13 Sale Agreement by the “Possession Date” being “[u]pon satisfaction of underlying debt.” This
14 deal was attractive to me because I would not have to pay the mortgage on—or otherwise have
15 to deal with—the Main Property, and because it would bring the Loan current. I did not inform
16 WaMu or JPMorgan Chase Bank, N.A. (“Chase”) about the Sale Agreement.

17 7. ***Memorandum of Contract.*** On April 14, 2009, I signed a document titled
18 Memorandum of Contract, which was subsequently recorded in Snohomish County under
19 auditor number 200904200647. The Memorandum of Contract references an “unrecorded
20 Contract for Sale and Purchase of Property” dated March 19, 2009. The document referenced
21 is the Sale Agreement identified above in paragraph 4. A true and correct copy of the
22 Memorandum of Contract is attached hereto as Exhibit F.

23 8. ***IBB&A Performance Under the Sale Agreement.*** Immediately after we entered
24 into the Sale Agreement, IBB&A took over responsibility for making payments on the Loan. I
25 informed the renter who resided at the Main Property that IBB&A would be collecting her rent
26
27

1 and managing the Main Property. The renter of the Main Property subsequently began making
2 her rental payments directly to IBB&A.

3 9. ***Extension of Time to IBB&A.*** In March 2010, Ms. Brown-Velez contacted me
4 (and Mr. Greene) to request an extension of time to pay off the Loan, pursuant to the terms of
5 the Sale Agreement. I agreed to discuss this extension (because, at that point, I didn't have
6 much to lose) and Ms. Velez Brown came to my seeking my signature on an Amendment to
7 Purchase & Sales Agreement (the "Amendment"). Although I initialed each page of the
8 Amendment, I did not sign it. Under the terms of the proposed Amendment, Mr. Greene and I
9 were extending the deadline for IBB&A to satisfy the debt secured by the Deed of Trust. That
10 agreement appears to have been modified by Ms. Velez-Brown—whose initials I recognize and
11 am familiar with—to change the deadline to obtain the reconveyance until "April 31 [*sic*],
12 2011." The intent of the Sale Agreement remained the same—IBB&A would provide funds
13 necessary to satisfy the Loan in full, Chase would reconvey the Deed of Trust, and I would be
14 completely relieved of my obligations under the Loan. *After* those conditions were met,
15 Mr. Greene and I would discuss with IBB&A the transfer of our interest in the Main Property
16 to IBB&A. A true and correct copy of the Amendment is attached hereto as Exhibit G.

17 10. ***IBB&A Defaults on the Loan.*** Either shortly before or shortly after I met with
18 IBB&A to discuss the proposed Amendment, IBB&A defaulted on the Loan by failing to make
19 monthly mortgage payments. After I began receiving default notices for the Loan, I contacted
20 the renter and told her to make her monthly rental payments directly to me. Given that I was
21 still listed as the only borrower on the Loan and ultimately responsible for making payments on
22 the Loan, I did not want IBB&A keeping rental payments from the Main Property, if those
23 payments were not going to be used to reduce my Loan balance.

24 11. ***Auxier Financial Group, LLC.*** Although I met Josh Auxier several times, I
25 entered into the Sale Agreement with IBB&A and, at all times during this business transaction,
26 believed I was doing business with IBB&A.
27

1 12. **Summer 2010 Meeting with Mr. Auxier.** The last time I met with Josh Auxier
 2 in person was either late spring or early summer 2010. At that meeting, Mr. Auxier asked me to
 3 quitclaim my interest in the Main Property to him. I refused. Mr. Auxier asked me to “name
 4 my price” for title the Main Property but, again, I refused to name a price. Mr. Auxier did not
 5 affirmatively make an offer on the Main Property at that time. I left the meeting without
 6 transferring any interest in the Main Property to Mr. Auxier (or IBB&A or Auxier Financial
 7 Group).

8 13. **Recent Contact with Mr. Auxier.** After I received a subpoena to appear and
 9 give testimony in this action, I contacted Mr. Auxier. Again, Mr. Auxier made it known that he
 10 thought Mr. Greene and I were “obligated” to convey title per our contract.

11 14. **Status of WaMu Loan.** As of the date of the filing of this declaration, neither
 12 IBB&A nor Auxier Financial Group (nor any other entity) has satisfied the Loan. As a result,
 13 the terms of the Sale Agreement were not met, Mr. Greene and I retained our full ownership
 14 interest in the Main Property, and I am still liable for the debt owing under the Loan.

15 15. **Present Ownership of the Main Property.** Because neither IBB&A nor Auxier
 16 Financial nor any other entity satisfied the requirements of the Sale Agreement or the
 17 Amendment, the deal expired and did not close. As a result, Mr. Greene and I presently own
 18 the Main Property, and I am still on the hook for the Loan.

19 16. **The Vacant Property.** It was always my intention that the Vacant Property and
 20 Main Property remain with a single owner, as I believe the properties have more value when
 21 combined. When I signed the Sale Agreement, Mr. Greene and I agreed to provide a quitclaim
 22 deed for our interest in the Vacant Property to IBB&A, subject to a condition that if IBB&A
 23 did not fulfill its obligations under the Sale Agreement, IBB&A would either return the
 24 quitclaim deed (if unrecorded), or re-convey title to the Vacant Property to Mr. Greene and
 25
 26
 27

1 me. A copy of the Purchase and Sale Agreement for the Vacant Property is attached as Exhibit
2 G, and the contingency is on page 6. Because the sale on the Main Property never closed, then
3 pursuant to the Purchase and Sale Agreement on the Vacant Property, IBB&A's interest in the
4 Vacant Property is "void." As a result, Mr. Greene and I are the rightful owners of the Vacant
5 Property.

6 I declare under penalty of perjury, under the laws of the State of Washington that the
7 foregoing is true and correct.

ADJUSTABLE RATE NOTE
(12-MTA Index - Payment and Rate Caps)

THIS NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. MY MONTHLY PAYMENT INCREASES WILL HAVE LIMITS WHICH COULD RESULT IN THE PRINCIPAL AMOUNT I MUST REPAY BEING LARGER THAN THE AMOUNT I ORIGINALLY BORROWED, BUT NOT MORE THAN 115% OF THE ORIGINAL AMOUNT (OR \$ 342,700.00). MY INTEREST RATE CAN NEVER EXCEED THE LIMIT STATED IN THIS NOTE OR ANY RIDER TO THIS NOTE. A BALLOON PAYMENT MAY BE DUE AT MATURITY.

PROPERTY ADDRESS

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ 298,000.00 plus any amounts added in accordance with Section 4 (G) below, (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is WASHINGTON MUTUAL BANK, FA. I will make all payments under this Note in form of cash, check or money order. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder".

2. INTEREST

Interest will be charged on unpaid Principal until the full amount has been paid. Up until the first day of the calendar month that immediately precedes the first payment due date set forth in Section 3 of this Note, I will pay interest at a yearly rate of 8.883 %. Thereafter until the first Change Date (as defined in Section 4 of this Note) I will pay interest at a yearly rate of 2.250 %. The interest rate required by this Section 2 and Section 4 of this Note is the Rate I will pay both before and after any default described in Section 7(B) of this Note.

3. PAYMENTS**(A) Time and Place of Payments**

I will pay Principal and interest by making payments every month. In this Note, "payments" refer to Principal and interest payments only, although other charges such as taxes, insurance and/or late charges may also be payable with the monthly payment.

I will make my monthly payments on 1ST day- of each month beginning on APRIL, 2007. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied to interest before Principal. If, on MARCH 01, 2037, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date".

I will make my monthly payments at P.O. BOX 78148 PHOENIX, AZ 85062-8148, or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

Each of my monthly payments until the first Payment Change Date will be in the amount of U.S. \$ 1,139.09, unless adjusted at an earlier time under Section 4(H) of this Note.

1174

(C) Payment Changes

My monthly payment will be recomputed, according to Sections 4(E)(F)(G)(H) and (I) of this Note, to reflect changes in the Principal balance and interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES**(A) Change Dates**

The interest rate I will pay may further change on the 1ST day of APRIL, 2007, and on that day every month thereafter. Each such day is called a "Change Date".

(B) The Index

On each Change Date, my interest rate will be based on an Index. The "Index" is the Twelve-Month Average, determined as set forth below, of the annual yields on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (H.15)" (the "Monthly Yields"). The Twelve-Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12.

The most recent Index figure available as of 15 days before each interest rate Change Date is called the "Current Index". If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding THREE AND 90/100 percentage points 3.900 % ("Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one-thousandth of one percentage point (0.001%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. In the event a new Index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The new Margin will be the difference between the average of the old Index for the most recent three year period which ends on the last date the Index was available plus the Margin on the last date the old Index was available and the average of the new Index for the most recent three year period which ends on that date (or if not available for such three year period, for such time as it is available). This difference will be rounded to the next higher 1/8 of 1%.

(D) Interest Rate Limit

My interest rate will never be greater than ELEVEN AND 30/100 percentage points 11.300 % ("Cap"), except that following any sale or transfer of the property which secures repayment of this Note after the first interest rate Change Date, the maximum interest rate will be the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of such sale or transfer.

(E) Payment Change Dates

Effective every year commencing APRIL 01, 2008, and on the same date each twelfth month thereafter ("Payment Change Date"), the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the projected principal balance I am expected to owe as of the Payment Change Date in full on the Maturity Date at the interest rate in effect 45 days prior to the Payment Change Date in substantially equal payments. The result of this calculation is the new amount of my monthly payment, subject to Section 4(F) below, and I will make payments in the new amount until the next Payment Change Date unless my payments are changed earlier under Section 4(H) of this Note.

(F) Monthly Payment Limitations

Unless Section 4(H) and 4(I) below apply, the amount of my new monthly payment, beginning with a Payment Change Date, will be limited to 7 1/2% more or less than the amount I have been paying. This payment cap applies only to the principal payment and does not apply to any escrow payments Lender may require under the Security Instrument.

(G) Changes in My Unpaid Principal Due to Negative Amortization or Accelerated Amortization

Since my payment amount changes less frequently than the interest rate and since the monthly payment is subject to the payment limitations described in Section 4(F), my monthly payment could be less or greater than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid Principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. For each month that the monthly payment is less than the interest portion, the Note Holder will subtract the monthly payment from the amount of the interest portion and will add the difference to my unpaid Principal, and interest will accrue on the amount of this difference at the current interest rate. For each month that the monthly payment is greater than the interest portion, the Note Holder will apply the excess towards a principal reduction of the Note.

(H) Limit on My Unpaid Principal; Increased Monthly Payment

My unpaid principal can never exceed a maximum amount equal to 115% of the principal amount original borrowed. In the event my unpaid Principal would otherwise exceed that 115% limitation, I will begin paying a new monthly payment until the next Payment Change Date notwithstanding the 7 1/2% annual payment increase limitation. The new monthly payment will be an amount which would be sufficient to repay my then unpaid Principal in full on the maturity date at my interest rate in effect the month prior to the payment due date in substantially equal payments.

(I) Required Full Monthly Payment

On the FIFTH anniversary of the due date of the first monthly payment, and on that same day every FIFTH year thereafter, the monthly payment will be adjusted without regard to the payment cap limitation in Section 4(F).

(J) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(K) Failure to Make Adjustments

If for any reason Note Holder fails to make an adjustment to the interest rate or payment amount as described in this Note, regardless of any notice requirement, I agree that Note Holder may, upon discovery of such failure, then make the adjustment as if they had been made on time. I also agree not to hold Note Holder responsible for any damages to me which may result from Note Holder's failure to make the adjustment and to let the Note Holder, at its option, apply any excess monies which I may have paid to partial Prepayment of unpaid Principal.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment". When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full prepayment or partial prepayments without paying any prepayment charge. The Note Holder will apply all of my prepayments to reduce the amount of principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the principal amount of the Note. If I make a partial prepayment, there will be no changes in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes. My partial prepayment may have the effect of reducing the amount of my monthly payments, but only after the first Payment Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then; (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

Miscellaneous Fees: I understand that the Note Holder will also charge a return item charge in the event a payment that I make in connection with repayment of this loan is not honored by the financial institution on which it is drawn. The current fee is \$ 15.00. Lender reserves the right to change the fee from time to time without notice except as may be required by law.

7. BORROWER'S FAILURE TO PAY AS REQUIRED**(A) Late Charges for Overdue Payments**

If the Note Holder has not received the full amount of any monthly payment by the end of FIFTEEN calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000% of my overdue payment of Principal and interest. I will pay this late charge promptly but only once of each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 10 days after the date on which the notice is delivered or mailed to me (or, if the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation buys all or part of Lender's rights under the Security Instrument, in which case the notice will specify a date, not less than 30 days from the date the notice is given the Borrower).

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note, whether or not a lawsuit is brought, to the extent not prohibited by Applicable Law. Those expenses include, for example, reasonable attorneys' fees.

8. GIVING OF NOTICES

Unless Applicable Law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety, or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety, or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

Transfer of the Property or a Beneficial Interest in Borrower.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) the request to assume is made after one year following recordation of the Deed of Trust, (b) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (c) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument or other obligations related to the Note or other loan document is acceptable to Lender, (d) Assuming party executes Assumption Agreement acceptable to Lender at its sole choice and discretion, which Agreement may include an increase to Cap as set forth below and (e) payment of Assumption Fee if requested by Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption and Lender may increase the maximum rate limit to the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of the transfer. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has entered into a written Assumption Agreement with transferee and formally releases Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

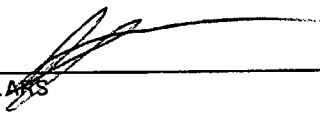

12. MISCELLANEOUS PROVISIONS

In the event the Note Holder at any time discovers that this Note or the Security Instrument or any other document related to this loan, called collectively the "Loan Documents," contains an error which was caused by a clerical or ministerial mistake, calculation error, computer error, printing error or similar error (collectively "Errors"), I agree, upon notice from the Note Holder, to reexecute any Loan Documents that are necessary to correct any such Errors and I also agree that I will not hold the Note Holder responsible for any damage to me which may result from any such Errors.

If any of the Loan Documents are lost, stolen, mutilated or destroyed and the Note Holder delivers to me an indemnification in my favor, signed by the Note Holder, then I will sign and deliver to the Note Holder a Loan Document identical in form and content which will have the effect of the original for all purposes.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the

Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in US currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash, (b) money order, (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity, or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2 Application of Payments or Proceeds Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note, (b) principal due under the Note, (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3 Funds for Escrow Items Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property, (b) leasehold payments or ground rents on the Property, if any, (c) premiums for any and all insurance required by Lender under Section 5, and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the

term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4 Charges, Liens Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement, (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending; but only until such proceedings are concluded, or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5 Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either (a) a one-time charge for flood zone determination, certification and tracking services, or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was

required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property, Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8 Borrower's Loan Application Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to (a) paying any sums secured by a lien which has priority over this Security Instrument, (b) appearing in court, and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any of all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10 Mortgage Insurance If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, and

Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11 Assignment of Miscellaneous Proceeds, Forfeiture All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction; provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair

market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12 Borrower Not Released, Forbearance. By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13 Joint and Several Liability, Co-signers, Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer") (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument, (b) is not personally obligated to pay the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law, Severability, Rules of Construction This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender, (b) words in the singular shall mean and include the plural and vice versa, and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19 Borrower's Right to Reinstate After Acceleration If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument, (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate, or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred, (b) cures any default of any other covenants or agreements, (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash, (b) money order, (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity, or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note, Change of Loan Servicer, Notice of Grievance The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21 Hazardous Substances As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property.

Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration, Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify (a) the default, (b) the action required to cure the default, (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured, and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property at public auction at a date not less than 120 days in the future. The notice shall further inform Borrower of the right to reinstate after acceleration, the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale, and any other matters required to be included in the notice by Applicable Law. If the default is not cured on or before the date specified in the notice, Lender at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and/or any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee and Lender shall take such action regarding notice of sale and shall give such notices to Borrower and to other persons as Applicable Law may require. After the time required by Applicable Law and after publication of the notice of sale, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of the Property for a period or periods permitted by Applicable Law by public announcement at the time and place fixed in the notice of sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees, (b) to all sums secured by this Security Instrument, and (c) any excess to the person or persons legally entitled to it or to the clerk of the superior court of the county in which the sale took place.

ZWA2

23 Reconveyance Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs and the Trustee's fee for preparing the reconveyance.

24 Substitute Trustee In accordance with Applicable Law, Lender may from time to time appoint a successor trustee to any Trustee appointed hereunder who has ceased to act. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25 Use of Property The Property is not used principally for agricultural purposes.

26 Attorneys' Fees Lender shall be entitled to recover its reasonable attorneys' fees and costs in any action or proceeding to construe or enforce any term of this Security Instrument. The term "attorneys' fees," whenever used in this Security Instrument, shall include without limitation attorneys' fees incurred by Lender in any bankruptcy proceeding or on appeal.

ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, EXTEND CREDIT, OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

ADJUSTABLE RATE RIDER
(12-MTA Index - Payment and Rate Caps)

1174

THIS ADJUSTABLE RATE RIDER is made this 22ND day of FEBRUARY, 2007, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to WASHINGTON MUTUAL BANK, FA (the "Lender") of the same date and covering the property described in the Security Instrument and located at

2525 CENTER RD., EVERETT, WA 98204
(PROPERTY ADDRESS)

THIS RIDER CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. MY MONTHLY PAYMENT INCREASES WILL HAVE LIMITS WHICH COULD RESULT IN THE PRINCIPAL AMOUNT I MUST REPAY BEING LARGER THAN THE AMOUNT I ORIGINALLY BORROWED, BUT NOT MORE THAN 115% OF THE ORIGINAL AMOUNT (OR \$ 342,700.00). MY INTEREST RATE CAN NEVER EXCEED THE LIMIT STATED IN THE NOTE AND RIDER. A BALLOON PAYMENT MAY BE DUE AT MATURITY.

ADDITIONAL COVENANTS In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A INTEREST RATE AND MONTHLY PAYMENT CHANGES

Interest will be charged on unpaid Principal until the full amount of Principal has been paid. Up until the first day of the calendar month that immediately precedes the first payment due date set forth in Section 3 of the Note, I will pay interest at a yearly rate of 8.883%. Thereafter until the first Change Date (as defined in Section 4 of the Note) I will pay interest at a yearly rate of 2.250%. The interest rate I will pay will thereafter change in accordance with Section 4 of the Note.

Section 4 of the Note provides for changes in the interest rate and monthly payment as follows

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the 1ST day of APRIL, 2007, and on that day every month thereafter. Each such day is called a "Change Date."

(B) The Index

On each Change Date, my interest rate will be based on an Index. The "Index" is the Twelve-Month Average, determined as set forth below, of the annual yields on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (H 15)" (the "Monthly Yields"). The Twelve-Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12.

The most recent Index figure available as of the date 15 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Interest Rate Change

Before each Change Date, the Note Holder will calculate my new interest rate by adding THREE AND 90/100 percentage points 3.900 % ("Margin") to Current Index. The Note Holder will then round the result of this addition to the nearest one thousandth of one percentage point (0.001%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. In the event a new Index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The new Margin will be the difference between the average of the old Index for the most recent three year period which ends on the last date the Index was available, plus the Margin on the last date the old Index was available and the average of the new Index for the most recent three year period which ends on that date (or if not available for such three year period, for such time as it is available). The difference will be rounded to the next higher 1/8 of 1%.

(D) Interest Rate Limit

My interest rate will never be greater than 11.300 % ("Cap"), except that following any sale or transfer of the property which secures repayment of this Note after the first interest rate Change Date, the maximum interest rate will be the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of such sale or transfer.

(E) Payment Change Dates

Effective every year commencing APRIL 01, 2008, and on the same date each twelfth month thereafter ("Payment Change Date"), the Note Holder will determine the

1174

amount of the monthly payment that would be sufficient to repay the projected Principal balance I am expected to owe as of the Payment Change Date in full on the maturity date at the interest rate in effect 45 days prior to the Payment Change Date in substantially equal payments. The result of this calculation is the new amount of my monthly payment, subject to Section 4(F) below, and I will make payments in the new amount until the next Payment Change Date unless my payments are changed earlier under Section 4(H) of the Note.

(F) Monthly Payment Limitations

Unless Section 4(H) and 4(I) below apply, the amount of my new monthly payment, beginning with a Payment Change Date, will be limited to 7 1/2% more or less than the amount I have been paying. This payment cap applies only to the Principal Payment and does not apply to any escrow payments Lender may require under the Security Instrument.

(G) Changes in My Unpaid Principal Due to Negative Amortization or Accelerated Amortization

Since my payment amount changes less frequently than the interest rate and since the monthly payment is subject to the payment limitations described in Section 4(F), my monthly payment could be less or greater than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid Principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. For each month that the monthly payment is less than the interest portion, the Note Holder will subtract the monthly payment from the amount of the interest portion and will add the difference to my unpaid Principal, and interest will accrue on the amount of this difference at the current interest rate. For each month that the monthly payment is greater than the interest portion, the Note Holder will apply the excess towards a Principal reduction of the Note.

(H) Limit on My Unpaid Principal; Increased Monthly Payment

My unpaid Principal can never exceed a maximum amount equal to 115% of the principal amount original borrowed. In the event my unpaid Principal would otherwise exceed that 115% limitation, I will begin paying a new monthly payment until the next Payment Change Date notwithstanding the 7 1/2% annual payment increase limitation. The new monthly payment will be an amount which would be sufficient to repay my then unpaid principal in full on the maturity date at my interest rate in effect the month prior to the payment due date in substantially equal payments.

(I) Required Full Monthly Payment

On the FIFTH anniversary of the due date of the first monthly payment, and on that same day every FIFTH year thereafter, the monthly payment will be adjusted without regard to the payment cap limitation in Section 4(F).

(J) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

RMT2

1174

(K) Failure to Make Adjustments

If for any reason Note Holder fails to make an adjustment to the interest rate or payment amount as described in this Note, regardless of any notice requirement, I agree that Note Holder may, upon discovery of such failure, then make the adjustment as if they had been made on time. I also agree not to hold Note Holder responsible for any damages to me which may result from Note Holder's failure to make the adjustment and to let the Note Holder, at its option, apply any excess monies which I may have paid to partial prepayment of unpaid "Principal."

B TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Section 18 of the Security Instrument is amended to read as follows

Transfer of the Property or a Beneficial Interest in Borrower As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser. If all or any part of the Property or any interest in the Property is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by Applicable Law. Lender also shall not exercise this option if (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee, (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Agreement or other obligations related to the Note or other loan document is acceptable to Lender, (c) Assuming party executes Assumption Agreement acceptable to Lender at its sole choice and discretion, which Agreement may include an increase to Cap as set forth below and (d) payment of Assumption Fee if requested by Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption, and Lender may increase the maximum interest rate limit to the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of the transfer. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has entered into a written assumption agreement with transferee and formally releases Borrower.

1174

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

1174

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider. Borrower agrees to execute any document necessary to reform this Agreement to accurately reflect the terms of the Agreement between Borrower and Beneficiary or if the original Note, Trust Deed or other document is lost, mutilated or destroyed

B USE OF PROPERTY, COMPLIANCE WITH LAW Borrower shall not seek, agree to or make a change in the use of the Property or its zoning classification, unless Lender has agreed in writing to the change Borrower shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property

C SUBORDINATE LIENS Except as permitted by federal law, Borrower shall not allow any lien inferior to the Security Instrument to be perfected against the Property without Lender's prior written permission

E "BORROWER'S RIGHT TO REINSTATE" DELETED Section 19 is deleted

F BORROWER'S OCCUPANCY Unless Lender and Borrower otherwise agree in writing, Section 6 concerning Borrower's occupancy of the Property is deleted

G ASSIGNMENT OF LEASES Upon Lender's request after default, Borrower shall assign to Lender all leases of the Property and all security deposits made in connection with leases of the Property Upon the assignment, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion As used in this paragraph G, the word "lease" shall mean "sublease" if the Security Instrument is on a leasehold

H. ASSIGNMENT OF RENTS, APPOINTMENT OF RECEIVER, LENDER IN POSSESSION Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable Borrower authorizes Lender or Lender's agents to collect the Rents, and agrees that each tenant of the Property shall pay the Rents to Lender or Lender's agents However, Borrower shall receive the Rents until (i) Lender has given Borrower notice of default pursuant to Section 22 of the Security Instrument, and (ii) Lender has given notice to the tenant(s) that the Rents are to be paid to Lender or Lender's agent This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only

If Lender gives notice of default to Borrower (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument, (ii) Lender shall be entitled to collect and receive all of the Rents of the Property, (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant, (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument, (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received, and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Section 9

Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not performed, and will not perform, any act that would prevent Lender from exercising its rights under this paragraph

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument are paid in full.

I CROSS-DEFAULT PROVISION. Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security Instrument and Lender may invoke any of the remedies permitted by the Security Instrument.

RESIDENTIAL REAL ESTATE PURCHASE AND SALE AGREEMENT

GENERAL TERMS

(continued)

- a. **Purchase Price.** Buyer agrees to pay to Seller the Purchase Price, including the Earnest Money, in cash at Closing, unless otherwise specified in this Agreement. Buyer represents that Buyer has sufficient funds to close this sale in accordance with this Agreement and is not relying on any contingent source of funds, including funds from loans, the sale of other property, gifts, retirement, or future earnings, except to the extent otherwise specified in this Agreement.
- b. **Earnest Money.** Buyer agrees to deliver the Earnest Money within 2 days after mutual acceptance of this Agreement to Selling Licensee who will deposit any check to be held by Selling Broker, or deliver any Earnest Money to be held by Closing Agent, within 3 days of receipt or mutual acceptance, whichever occurs later. If the Earnest Money is held by Selling Broker and is over \$10,000.00 it shall be deposited into an interest bearing trust account in Selling Broker's name provided that Buyer completes an IRS Form W-9. Interest, if any, after deduction of bank charges and fees, will be paid to Buyer. Buyer agrees to reimburse Selling Broker for bank charges and fees in excess of the interest earned, if any. If the Earnest Money held by Selling Broker is over \$10,000.00 Buyer has the option to require Selling Broker to deposit the Earnest Money into the Housing Trust Fund Account, with the interest paid to the State Treasurer, if both Seller and Buyer so agree in writing. If the Buyer does not complete an IRS Form W-9 before Selling Broker must deposit the Earnest Money or the Earnest Money is \$10,000.00 or less, the Earnest Money shall be deposited into the Housing Trust Fund Account. Selling Broker may transfer the Earnest Money to Closing Agent at Closing. If all or part of the Earnest Money is to be refunded to Buyer and any such costs remain unpaid, the Selling Broker or Closing Agent may deduct and pay them therefrom. The parties instruct Closing Agent to (1) provide written verification of receipt of the Earnest Money and notice of dishonor of any check to the parties and Licensees at the addresses and/or fax numbers provided herein; and (2) commence an interpleader action in the county in which the Property is located within 30 days of a party's demand for the Earnest Money unless the parties agree otherwise in writing. The parties authorize the party commencing an interpleader action to deduct up to \$250.00 for the costs thereof.
- c. **Included Items.** Any of the following items, including items identified in Specific Term No. 5 if the corresponding box is checked, located in or on the Property are included in the sale: built-in appliances, wall-to-wall carpeting; curtains, drapes and all other window treatments; window and door screens; awnings; storm doors and windows; installed television antennas; ventilating, air conditioning and heating fixtures, trash compactor, fireplace doors, gas logs and gas log lighters; irrigation fixtures; electric garage door openers and remotes; water heaters; installed electrical fixtures; lighting fixtures; shrubs, plants and trees planted in the ground, all bathroom and other fixtures, and all associated operating equipment. If any of the above Included Items are leased or encumbered, Seller agrees to acquire and clear title at or before Closing.
- d. **Condition of Title.** Unless otherwise specified in this Agreement, title to the Property shall be marketable at Closing. The following shall not cause the title to be unmarketable: rights, reservations, covenants, conditions and restrictions, presently of record and general to the area; easements and encroachments not materially affecting the value of or unduly interfering with Buyer's reasonable use of the Property; and reserved oil and/or mining rights. Monetary encumbrances or liens not assumed by Buyer, shall be paid or discharged by Seller on or before Closing. Title shall be conveyed by a Statutory Warranty Deed. If this Agreement is for conveyance of a buyer's interest in a Real Estate Contract, the Statutory Warranty Deed shall include a buyer's assignment of the contract sufficient to convey after acquired title.
- e. **Title Insurance.** Seller authorizes Buyer's lender or Closing Agent, at Seller's expense, to apply for the then-current ALTA form of Homeowner's Policy of Title Insurance for One-to-Four Family Residence, from the Title Insurance Company. If Seller previously received a preliminary commitment from a Title Insurance Company that Buyer declines to use, Buyer shall pay any cancellation fees owing to the original Title Insurance Company. Otherwise, the party applying for title insurance agrees to pay any title cancellation fee, in the event such a fee is assessed. If the Title Insurance Company selected by the parties will not issue a Homeowner's Policy for the Property, the parties agree that the Title Insurance Company shall instead issue the then-current ALTA standard form Owner's Policy. The Title Insurance Company shall send a copy of the preliminary commitment to Seller, Listing Agent, Buyer and Selling Licensee. The preliminary commitment, and the title policy to be issued, shall contain no exceptions other than the General Exclusions and Exceptions in the Policy and Special Exceptions consistent with the Condition of Title herein provided. If title cannot be made so insurable prior to the Closing Date, then as Buyer's sole and exclusive remedy, the Earnest Money shall, unless Buyer elects to waive such defects or encumbrances, be refunded to the Buyer, less any unpaid costs described in this Agreement, and this Agreement shall thereupon be terminated. Buyer shall have no right to specific performance or damages as a consequence of Seller's inability to provide insurable title.

- f. **Closing and Possession.** This sale shall be closed by the Closing Agent on the Closing Date. If the Closing Date falls on a Saturday, Sunday, legal holiday as defined in RCW 1.16.050, or day when the county recording office is closed, the Closing Agent shall close the transaction on the next day that is not a Saturday, Sunday, legal holiday, or day when the county recording office is closed. "Closing" means the date on which all documents are recorded and the sale proceeds are available to Seller. Seller shall deliver keys and garage door remotes to Buyer on the Closing Date or on the Possession Date, whichever occurs first. Buyer shall be entitled to possession at 9:00 p.m. on the Possession Date. Seller agrees to maintain the Property in its present condition, normal wear and tear excepted, until the Buyer is entitled to possession. If possession transfers at a time other than Closing, the parties agree to execute NWMLS Form 65A (Rental Agreement/Occupancy Prior to Closing) or NWMLS Form 65B (Rental Agreement/Seller Occupancy After Closing) (or alternative rental agreements) and are advised of the need to contact their respective insurance companies to assure appropriate hazard and liability insurance policies are in place, as applicable.
- g. **Section 1031 Like-Kind Exchange.** If either Buyer or Seller intends for this transaction to be a part of a Section 1031 like-kind exchange, then the other party agrees to cooperate in the completion of the like-kind exchange so long as the cooperating party incurs no additional liability in doing so, and so long as any expenses (including attorneys' fees and costs) incurred by the cooperating party that are related only to the exchange are paid or reimbursed to the cooperating party at or prior to Closing. Notwithstanding the Assignment paragraph of this Agreement, any party completing a Section 1031 like-kind exchange may assign this Agreement to its qualified intermediary or any entity set up for the purposes of completing a reverse exchange.
- h. **Closing Costs and Prorations and Charges and Assessments.** Seller and Buyer shall each pay one-half of the escrow fee unless otherwise required by applicable FHA or VA regulations. Taxes for the current year, rent, interest, and lienable homeowner's association dues shall be prorated as of Closing. Buyer agrees to pay Buyer's loan costs, including credit report, appraisal charge and lender's title insurance, unless provided otherwise in this Agreement. If any payments are delinquent on encumbrances which will remain after Closing, Closing Agent is instructed to pay such delinquencies at Closing from money due, or to be paid by, Seller. Buyer agrees to pay for remaining fuel in the fuel tank if, prior to Closing, Seller obtains a written statement as to the quantity and current price from the supplier. Seller agrees to pay all utility charges, including unbilled charges. Unless waived in Specific Term No. 15, Seller and Buyer request the services of Closing Agent in disbursing funds necessary to satisfy unpaid utility charges in accordance with RCW 80.80 and Seller agrees to provide the names and addresses of all utilities providing service to the Property and having lien rights (attach NWMLS Form 22K Identification of Utilities or equivalent). Buyer is advised to verify the existence and amount of any local improvement district, capacity or impact charges or other assessments that may be charged against the Property before or after Closing. Seller will pay such charges that are encumbrances at the time of Closing, or that are or become due on or before Closing. Charges levied before Closing, but becoming due after Closing shall be paid as agreed in Specific Term No. 16.
- i. **Sale Information.** The Listing Agent or Selling Licensee is authorized to report this Agreement (including price and all terms) to the Multiple Listing Service that published it and to its members, financing institutions, appraisers, and anyone else related to this sale. Buyer and Seller expressly authorize all Closing Agents, appraisers, title insurance companies, and others related to this Sale, to furnish the Listing Agent and/or Selling Licensee, on request, any and all information and copies of documents concerning this sale.
- j. **FIRPTA - Tax Withholding at Closing.** The Closing Agent is instructed to prepare a certification (NWMLS Form 22E or equivalent) that Seller is not a "foreign person" within the meaning of the Foreign Investment In Real Property Tax Act. Seller agrees to sign this certification. If Seller is a foreign person, and this transaction is not otherwise exempt from FIRPTA, Closing Agent is instructed to withhold and pay the required amount to the Internal Revenue Service.
- k. **Notices.** In consideration of the license to use this and NWMLS's companion forms and for the benefit of the Listing Agent and the Selling Licensee as well as the orderly administration of the offer, counteroffer or this Agreement, the parties irrevocably agree that unless otherwise specified in this Agreement, any notice required or permitted in, or related to, this Agreement (including revocations of offers or counteroffers) must be in writing. Notices to Seller must be signed by at least one Buyer and shall be deemed given only when the notice is received by Seller, by Listing Agent or at the licensed office of Listing Agent. Notices to Buyer must be signed by at least one Seller and shall be deemed given only when the notice is received by Buyer, by Selling Licensee or at the licensed office of Selling Licensee. Actual receipt by Selling Licensee of a Form 17, Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards, Public Offering Statement or Resale Certificate, homeowners' association documents provided pursuant to NWMLS Form 22D, or a preliminary commitment for title insurance provided pursuant to NWMLS

- Form 22T shall be deemed receipt by Buyer. Selling Licensee and Listing Agent have no responsibility to advise of receipt of a notice beyond either phoning the party or causing a copy of the notice to be delivered to the party's address shown on this Agreement. Buyer and Seller must keep Selling Licensee and Listing Agent advised of their whereabouts in order to receive prompt notification of receipt of a notice.
- l. Computation of Time.** Unless otherwise specified in this Agreement, any period of time measured in days and stated in this Agreement shall start on the day following the event commencing the period and shall expire at 9:00 p.m. of the last calendar day of the specified period of time. Except for the Possession Date, if the last day is a Saturday, Sunday or legal holiday as defined in RCW 1.16.050, the specified period of time shall expire on the next day that is not a Saturday, Sunday or legal holiday. Any specified period of 5 days or less shall not include Saturdays, Sundays or legal holidays. If the parties agree that an event will occur on a specific calendar date, the event shall occur on that date, except for the Closing Date, which, if it falls on a Saturday, Sunday, legal holiday as defined in RCW 1.16.050, or day when the county recording office is closed, shall occur on the next day that is not a Saturday, Sunday, legal holiday, or day when the county recording office is closed. If the parties agree upon and attach a legal description after this Agreement is signed by the offeree and delivered to the offeror, then for the purposes of computing time, mutual acceptance shall be deemed to be on the date of delivery of an accepted offer or counteroffer to the offeror, rather than on the date the legal description is attached. Time is of the essence of this Agreement.
- m. Facsimile and E-mail Transmission.** Facsimile transmission of any signed original document, and retransmission of any signed facsimile transmission, shall be the same as delivery of an original. At the request of either party, or the Closing Agent, the parties will confirm facsimile transmitted signatures by signing an original document. E-mail transmission of any document or notice shall not be effective unless the parties to this Agreement otherwise agree in writing.
- n. Integration.** This Agreement constitutes the entire understanding between the parties and supersedes all prior or contemporaneous understandings and representations. No modification of this Agreement shall be effective unless agreed in writing and signed by Buyer and Seller.
- o. Assignment.** Buyer may not assign this Agreement, or Buyer's rights hereunder, without Seller's prior written consent, unless the parties indicate that assignment is permitted by the addition of "and/or assigns" on the line identifying the Buyer on the first page of this Agreement.
- p. Default.** In the event Buyer fails, without legal excuse, to complete the purchase of the Property, then the following provision, as identified in Specific Term No. 8, shall apply:
- i. Forfeiture of Earnest Money.** That portion of the Earnest Money that does not exceed five percent (5%) of the Purchase Price shall be forfeited to the Seller as the sole and exclusive remedy available to Seller for such failure.
- ii. Seller's Election of Remedies.** Seller may, at Seller's option, (a) keep the Earnest Money as liquidated damages as the sole and exclusive remedy available to Seller for such failure, (b) bring suit against Buyer for Seller's actual damages, (c) bring suit to specifically enforce this Agreement and recover any incidental damages, or (d) pursue any other rights or remedies available at law or equity.
- q. Professional Advice and Attorneys' Fees.** Buyer and Seller are advised to seek the counsel of an attorney and a certified public accountant to review the terms of this Agreement. Buyer and Seller agree to pay their own fees incurred for such review. However, if Buyer or Seller institutes suit against the other concerning this Agreement the prevailing party is entitled to reasonable attorneys' fees and expenses.
- r. Offer.** Buyer agrees to purchase the Property under the terms and conditions of this Agreement. Seller shall have until 9:00 p.m. on the Offer Expiration Date to accept this offer, unless sooner withdrawn. Acceptance shall not be effective until a signed copy is actually received by Buyer, by Selling Licensee or at the licensed office of Selling Licensee. If this offer is not so accepted, it shall lapse and any Earnest Money shall be refunded to Buyer.
- s. Counteroffer.** Any change in the terms presented in an offer or counteroffer, other than the insertion of the Seller's name, shall be considered a counteroffer. If a party makes a counteroffer, then the other party shall have until 9:00 p.m. on the counteroffer expiration date to accept that counteroffer, unless sooner withdrawn. Acceptance shall not be effective until a signed copy is actually received by Seller, by Listing Agent or at the licensed office of Listing Agent. If the counteroffer is not so accepted, it shall lapse and any Earnest Money shall be refunded to Buyer.
- t. Offer and Counteroffer Expiration Date.** If no expiration date is specified for an offer/counteroffer, the offer/counteroffer shall expire 2 days after the offer/counteroffer is delivered by the party making the offer/counteroffer, unless sooner withdrawn.

- u. **Agency Disclosure.** Selling Broker represents the same party that Selling Licensee represents. Listing Broker represents the same party that the Listing Agent represents. If Selling Licensee and Listing Agent are different salespersons affiliated with the same Broker, then both Buyer and Seller confirm their consent to that Broker representing both parties as a dual agent. If Selling Licensee and Listing Agent are the same salesperson representing both parties then both Buyer and Seller confirm their consent to that salesperson and his/her Broker representing both parties as dual agents. All parties acknowledge receipt of the pamphlet entitled "The Law of Real Estate Agency." 161-167
- v. **Commission.** Seller and Buyer agree to pay a commission in accordance with any listing or commission agreement to which they are a party. The Listing Broker's commission shall be apportioned between Listing Broker and Selling Broker as specified in the listing. Seller and Buyer hereby consent to Listing Broker or Selling Broker receiving compensation from more than one party. Seller and Buyer hereby assign to Listing Broker and Selling Broker, as applicable, a portion of their funds in escrow equal to such commission(s) and irrevocably instruct the Closing Agent to disburse the commission(s) directly to the Broker(s). In any action by Listing or Selling Broker to enforce this paragraph, the prevailing party is entitled to court costs and reasonable attorneys' fees. Seller and Buyer agree that the Licensees are intended third party beneficiaries under this Agreement. 168-175
- w. **Cancellation Rights/Lead-Based Paint.** If a residential dwelling was built on the Property prior to 1978, and Buyer receives a Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards (NWMLS Form 22J) after mutual acceptance, Buyer may rescind this Agreement at any time up to 3 days thereafter. 176-178
- x. **Information Verification Period and Property Condition Disclaimer.** Buyer shall have 10 days after mutual acceptance to verify all information provided from Seller or Listing Agent related to the Property. This contingency shall be deemed satisfied unless Buyer gives notice identifying the materially inaccurate information within 10 days of mutual acceptance. If Buyer gives timely notice under this section, then this Agreement shall terminate and the Earnest Money shall be refunded to Buyer. Buyer and Seller agree, that except as provided in this Agreement, all representations and information regarding the Property and the transaction are solely from the Seller or Buyer, and not from any Licensee. The parties acknowledge that the Licensees are not responsible for assuring that the parties perform their obligations under this Agreement and that none of the Licensees have agreed to independently investigate or confirm any matter related to this transaction except as stated in this Agreement, or in a separate writing signed by such Licensee. In addition, Licensees do not guarantee the value, quality or condition of the Property and some properties may contain building materials, including siding, roofing, ceiling, insulation, electrical, and plumbing, that have been the subject of lawsuits and/or governmental inquiry because of possible defects or health hazards. Some properties may have other defects arising after construction, such as drainage, leakage, pest, rot and mold problems. Licensees do not have the expertise to identify or assess defective products, materials, or conditions. Buyer is urged to retain inspectors qualified to identify the presence of defective materials and evaluate the condition of the Property. Licensees may assist the parties with locating and selecting third party service providers, such as inspectors or contractors, but Licensees cannot guarantee or be responsible for the services provided by those third parties. The parties agree to exercise their own judgment and due diligence regarding third party service providers. 179-196
- y. **Disclosures in Form 17.** If Seller provides Buyer with a disclosure statement pursuant to RCW 64.06 (Form 17), Buyer may bring an action in tort to recover economic losses resulting from intentional misrepresentations in Form 17; and if the parties so agree in Specific Term No. 9, Buyer may bring an action in tort to recover economic losses resulting from negligent errors, inaccuracies, or omissions in Form 17. Nevertheless, Buyer is advised to use due diligence to inspect the Property to Buyer's satisfaction, as Seller may not know or have reason to know of defects that careful inspections might reveal. If, in Specific Term No. 9, the parties agree that Buyer will not have a remedy for economic loss resulting from negligent errors, inaccuracies, or omissions in Form 17, then Buyer assumes the risk of economic loss that may result from Seller's negligent misrepresentation in Form 17. Buyer maintains the right to bring any and all claims permitted under the common law, including fraudulent concealment. Buyer and Seller acknowledge that home protection plans may be available which may provide additional protection and benefit to Buyer and Seller. 197-208

- a. **Purchase Price.** Buyer agrees to pay to Seller the Purchase Price, including the Earnest Money, in cash at Closing, unless otherwise specified in this Agreement. Buyer represents that Buyer has sufficient funds to close this sale in accordance with this Agreement and is not relying on any contingent source of funds, including funds from loans, the sale of other property, gifts, retirement, or future earnings, except to the extent otherwise specified in this Agreement.
- b. **Earnest Money.** Buyer agrees to deliver the Earnest Money within 2 days after mutual acceptance of this Agreement to Selling Licensee who will deposit any check to be held by Selling Broker, or deliver any Earnest Money to be held by Closing Agent, within 3 days of receipt or mutual acceptance, whichever occurs later. If the Earnest Money is held by Selling Broker and is over \$10,000.00 it shall be deposited into an interest bearing trust account in Selling Broker's name provided that Buyer completes an IRS Form W-9. Interest, if any, after deduction of bank charges and fees, will be paid to Buyer. Buyer agrees to reimburse Selling Broker for bank charges and fees in excess of the interest earned, if any. If the Earnest Money held by Selling Broker is over \$10,000.00 Buyer has the option to require Selling Broker to deposit the Earnest Money into the Housing Trust Fund Account, with the interest paid to the State Treasurer, if both Seller and Buyer so agree in writing. If the Buyer does not complete an IRS Form W-9 before Selling Broker must deposit the Earnest Money or the Earnest Money is \$10,000.00 or less, the Earnest Money shall be deposited into the Housing Trust Fund Account. Selling Broker may transfer the Earnest Money to Closing Agent at Closing. If all or part of the Earnest Money is to be refunded to Buyer and any such costs remain unpaid, the Selling Broker or Closing Agent may deduct and pay them therefrom. The parties instruct Closing Agent to: (1) provide written verification of receipt of the Earnest Money and notice of dishonor of any check to the parties and Licensees at the addresses and/or fax numbers provided herein; and (2) commence an interpleader action in the county in which the Property is located within 30 days of a party's demand for the Earnest Money unless the parties agree otherwise in writing. The parties authorize the party commencing an interpleader action to deduct up to \$250.00 for the costs thereof.
- c. **Condition of Title.** Unless otherwise specified in this Agreement, title to the Property shall be marketable at Closing. The following shall not cause the title to be unmarketable: rights, reservations, covenants, conditions and restrictions, presently of record and general to the area; easements and encroachments, not materially affecting the value of or unduly interfering with Buyer's reasonable use of the Property; and reserved oil and/or mining rights. Monetary encumbrances or liens not assumed by Buyer, shall be paid or discharged by Seller on or before Closing. Title shall be conveyed by a Statutory Warranty Deed. If this Agreement is for conveyance of a buyer's interest in a Real Estate Contract, the Statutory Warranty Deed shall include a buyer's assignment of the contract sufficient to convey after acquired title. If the Property has been short platted, the Short Plat number is in the Legal Description.
- d. **Title Insurance.** Seller authorizes Buyer's lender or Closing Agent, at Seller's expense, to apply for the then-current ALTA form of standard form owner's policy of title insurance, with homeowner's additional protection and inflation protection endorsements if available at no additional cost, from the Title Insurance Company. If Seller previously received a preliminary commitment from a Title Insurance Company that Buyer declines to use, Buyer shall pay any cancellation fees owing to the original Title Insurance Company. Otherwise, the party applying for title insurance agrees to pay any title cancellation fee, in the event such a fee is assessed. The Title Insurance Company shall send a copy of the preliminary commitment to Seller, Listing Agent, Buyer and Selling Licensee. The preliminary commitment, and the title policy to be issued, shall contain no exceptions other than the General Exclusions and Exceptions in said standard form and Special Exceptions consistent with the Condition of Title herein provided. If title cannot be made so insurable prior to the Closing Date, then as Buyer's sole and exclusive remedy, the Earnest Money shall, unless Buyer elects to waive such defects or encumbrances, be refunded to the Buyer, less any unpaid costs described in this Agreement, and this Agreement shall thereupon be terminated. Buyer shall have no right to specific performance or damages as a consequence of Seller's inability to provide insurable title.
- e. **Closing and Possession.** This sale shall be closed by the Closing Agent on the Closing Date. "Closing" means the date on which all documents are recorded and the sale proceeds are available to Seller. If the Closing Date falls on a Saturday, Sunday, legal holiday as defined in RCW 1.16.050, or day when the county recording office is closed, the Closing Agent shall close the transaction on the next day that is not a Saturday, Sunday, legal holiday, or day when the county recording office is closed. Buyer shall be entitled to possession at 9:00 p.m. on the Possession Date. Seller agrees to maintain the Property in its present condition, normal wear and tear excepted, until the Buyer is entitled to possession.
- f. **Section 1031 Like-Kind Exchange.** If either Buyer or Seller intends for this transaction to be a part of a Section 1031 like-kind exchange, then the other party agrees to cooperate in the completion of the like-kind exchange so long as the cooperating party incurs no additional liability in doing so, and so long as any expenses (including attorneys' fees and costs) incurred by the cooperating party that are related only to the exchange are paid or reimbursed to the

- cooperating party at or prior to Closing. Notwithstanding the Assignment paragraph of this Agreement, any party completing a Section 1031 like-kind exchange may assign this Agreement to its qualified intermediary or any entity set up for the purposes of completing a reverse exchange.
- g. Closing Costs and Prorations and Charges and Assessments.** Seller and Buyer shall each pay one-half of the escrow fee unless otherwise required by applicable FHA or VA regulations. Taxes for the current year, rent, interest, and lienable homeowner's association dues shall be prorated as of Closing. Buyer agrees to pay Buyer's loan costs, including credit report, appraisal charge and lender's title insurance, unless provided otherwise in this Agreement. If any payments are delinquent on encumbrances which will remain after Closing, Closing Agent is instructed to pay such delinquencies at Closing from money due, or to be paid by, Seller. Buyer agrees to pay for remaining fuel in the fuel tank if, prior to Closing, Seller obtains a written statement as to the quantity and current price from the supplier. Seller agrees to pay all utility charges, including unbilled charges. Unless waived in Specific Term No. 14, Seller and Buyer request the services of Closing Agent in disbursing funds necessary to satisfy unpaid utility charges in accordance with RCW 60.80 and Seller agrees to provide the names and addresses of all utilities providing service to the Property and having lien rights (attach NWMLS Form 22K Identification of Utilities or equivalent). Buyer is advised to verify the existence and amount of any local improvement district, capacity or impact charges or other assessments that may be charged against the Property before or after Closing. Seller will pay such charges that are encumbrances at the time of Closing, or that are or become due on or before Closing. Charges levied before Closing, but becoming due after Closing shall be paid as agreed in Specific Term No. 15.
- h. Sale Information.** The Listing Agent or Selling Licensee is authorized to report this Agreement (including price and all terms) to the Multiple Listing Service that published it and to its members, financing institutions, appraisers, and anyone else related to this sale. Buyer and Seller expressly authorize all Closing Agents, appraisers, title insurance companies, and others related to this Sale, to furnish the Listing Agent and/or Selling Licensee, on request, any and all information and copies of documents concerning this sale.
- i. FIRPTA - Tax Withholding at Closing.** The Closing Agent is instructed to prepare a certification (NWMLS Form 22E or equivalent) that Seller is not a "foreign person" within the meaning of the Foreign Investment in Real Property Tax Act. Seller agrees to sign this certification. If Seller is a foreign person, and this transaction is not otherwise exempt from FIRPTA, Closing Agent is instructed to withhold and pay the required amount to the Internal Revenue Service.
- j. Notices.** In consideration of the license to use this and NWMLS's companion forms and for the benefit of the Listing Agent and the Selling Licensee as well as the orderly administration of the offer, counteroffer or this agreement, the parties irrevocably agree that unless otherwise specified in this Agreement, any notice required or permitted in, or related to, this Agreement (including revocations of offers or counteroffers) must be in writing. Notices to Seller must be signed by at least one Buyer and shall be deemed given only when the notice is received by Seller, by Listing Agent or at the licensed office of Listing Agent. Notices to Buyer must be signed by at least one Seller and shall be deemed given only when the notice is received by Buyer, by Selling Licensee or at the licensed office of Selling Licensee. Actual receipt by Selling Licensee of a Form 17 or 17C (whichever is applicable), Public Offering Statement or Resale Certificate, homeowners' association documents provided pursuant to NWMLS Form 22D, or a preliminary commitment for title insurance provided pursuant to NWMLS Form 22T shall be deemed receipt by Buyer. Selling Licensee and Listing Agent have no responsibility to advise of receipt of a notice beyond either phoning the party or causing a copy of the notice to be delivered to the party's address shown on this Agreement. Buyer and Seller must keep Selling Licensee and Listing Agent advised of their whereabouts in order to receive prompt notification of receipt of a notice.
- k. Computation of Time.** Unless otherwise specified in this Agreement, any period of time measured in days and stated in this Agreement shall start on the day following the event commencing the period and shall expire at 9:00 p.m. of the last calendar day of the specified period of time. Except for the Possession Date, if the last day is a Saturday, Sunday or legal holiday as defined in RCW 1.16.050, the specified period of time shall expire on the next day that is not a Saturday, Sunday or legal holiday. Any specified period of 5 days or less shall not include Saturdays, Sundays or legal holidays. If the parties agree that an event will occur on a specific calendar date, the event shall occur on that date, except for the Closing Date, which, if it falls on a Saturday, Sunday, legal holiday as defined in RCW 1.16.050, or day when the county recording office is closed, shall occur on the next day that is not a Saturday, Sunday, legal holiday, or day when the county recording office is closed. If the parties agree upon and attach a legal description after this Agreement is signed by the offeree and delivered to the offeror, then for the purposes of computing time, mutual acceptance shall be deemed to be on the date of delivery of an accepted offer or counteroffer to the offeror, rather than on the date the legal description is attached. Time is of the essence of this Agreement.

- l. Facsimile or E-mail Transmission.** Facsimile transmission of any signed original document, and retransmission of any signed facsimile transmission, shall be the same as delivery of an original. At the request of either party, or the Closing Agent, the parties will confirm facsimile transmitted signatures by signing an original document. E-mail transmission of any document or notice shall not be effective unless the parties to this Agreement otherwise agree in writing.
- m. Integration.** This Agreement constitutes the entire understanding between the parties and supersedes all prior or contemporaneous understandings and representations. No modification of this Agreement shall be effective unless agreed in writing and signed by Buyer and Seller.
- n. Assignment.** Buyer may not assign this Agreement, or Buyer's rights hereunder, without Seller's prior written consent, unless the parties indicate that assignment is permitted by the addition of "and/or assigns" on the line identifying the Buyer on the first page of this Agreement.
- o. Default.** In the event Buyer fails, without legal excuse, to complete the purchase of the Property, then the following provision as identified in Specific Term No. 7, shall apply:
- Forfeiture of Earnest Money.** That portion of the Earnest Money that does not exceed five percent (5%) of the Purchase Price shall be forfeited to the Seller as the sole and exclusive remedy available to Seller for such failure.
 - Seller's Election of Remedies.** Seller may, at Seller's option, (a) keep the Earnest Money as liquidated damages as the sole and exclusive remedy available to Seller for such failure, (b) bring suit against Buyer for Seller's actual damages, (c) bring suit to specifically enforce this Agreement and recover any incidental damages, or (d) pursue any other rights or remedies available at law or equity.
- p. Professional Advice and Attorneys' Fees.** Buyer and Seller are advised to seek the counsel of an attorney and a certified public accountant to review the terms of this Agreement. Buyer and Seller agree to pay their own fees incurred for such review. However, if Buyer or Seller institutes suit against the other concerning this Agreement the prevailing party is entitled to reasonable attorneys' fees and expenses.
- q. Offer.** Buyer agrees to purchase the Property under the terms and conditions of this Agreement. Seller shall have until 9:00 p.m. on the Offer Expiration Date to accept this offer, unless sooner withdrawn. Acceptance shall not be effective until a signed copy is actually received by Buyer, by Selling Licensee or at the licensed office of Selling Licensee. If this offer is not so accepted, it shall lapse and any Earnest Money shall be refunded to Buyer.
- r. Counteroffer.** Any change in the terms presented in an offer or counteroffer, other than the insertion of the Seller's name, shall be considered a counteroffer. If a party makes a counteroffer, then the other party shall have until 9:00 p.m. on the counteroffer expiration date to accept that counteroffer, unless sooner withdrawn. Acceptance shall not be effective until a signed copy is actually received by Seller, by Listing Agent or at the licensed office of Listing Agent. If the counteroffer is not so accepted, it shall lapse and any Earnest Money shall be refunded to Buyer.
- s. Offer and Counteroffer Expiration Date.** If no expiration date is specified for an offer/counteroffer, the offer/counteroffer shall expire 2 days after the offer/counteroffer is delivered by the party making the offer/counteroffer, unless sooner withdrawn.
- t. Agency Disclosure.** Selling Broker represents the same party that Selling Licensee represents. Listing Broker represents the same party that the Listing Agent represents. If Selling Licensee and Listing Agent are different salespersons affiliated with the same Broker, then both Buyer and Seller confirm their consent to that Broker representing both parties as a dual agent. If Selling Licensee and Listing Agent are the same salesperson representing both parties then both Buyer and Seller confirm their consent to that salesperson and his/her Broker representing both parties as dual agents. All parties acknowledge receipt of the pamphlet entitled "The Law of Real Estate Agency."
- u. Commission.** Seller and Buyer agree to pay a commission in accordance with any listing or commission agreement to which they are a party. The Listing Broker's commission shall be apportioned between Listing Broker and Selling Broker as specified in the listing. Seller and Buyer hereby consent to Listing Broker or Selling Broker receiving compensation from more than one party. Seller and Buyer hereby assign to Listing Broker and Selling Broker, as applicable, a portion of their funds in escrow equal to such commission(s) and irrevocably instruct the Closing Agent to disburse the commission(s) directly to the Broker(s). In any action by Listing or Selling Broker to enforce this paragraph, the prevailing party is entitled to court costs and reasonable attorneys' fees. Seller and Buyer agree that the Licensees are intended third party beneficiaries under this Agreement.

- v. Feasibility Contingency.** It is the Buyer's responsibility to verify before the Feasibility Contingency Expiration Date identified in Specific Term No. 17 whether or not the Property can be platted, developed and/or built on (now or in the future) and what it will cost to do this. BUYER SHOULD NOT RELY ON ANY ORAL STATEMENTS concerning this made by the Seller, Listing Agent or Selling Licensee. Buyer should inquire at the city or county, and water, sewer or other special districts in which the Property is located. Buyer's inquiry should include, but not be limited to: building or development moratoriums applicable to or being considered for the Property; any special building requirements, including setbacks, height limits or restrictions on where buildings may be constructed on the Property; whether the Property is affected by a flood zone, wetlands, shorelands or other environmentally sensitive area; road, school, fire and any other growth mitigation or impact fees that must be paid; the procedure and length of time necessary to obtain plat approval and/or a building permit; sufficient water, sewer and utility and any service connection charges; and all other charges that must be paid. Buyer and Buyer's agents, representatives, consultants, architects and engineers shall have the right, from time to time during the feasibility contingency, to enter onto the Property and to conduct any tests or studies that Buyer may need to ascertain the condition and suitability of the Property for Buyer's intended purpose. Buyer shall restore the Property and all improvements on the Property to the same condition they were in prior to the inspection. Buyer shall be responsible for all damages resulting from any inspection of the Property performed on Buyer's behalf. If the Buyer does not give notice to the contrary on or before the Feasibility Contingency Expiration Date identified in Specific Term No. 17, it shall be conclusively deemed that Buyer is satisfied as to development and/or construction feasibility and cost. If Buyer gives notice this Agreement shall terminate and the Earnest Money shall be refunded to Buyer, less any unpaid costs.
- w. Subdivision.** If the Property must be subdivided, Seller represents that there has been preliminary plat approval for the Property and this Agreement is conditioned on the recording of the final plat containing the Property on or before the date specified in Specific Term 16. If the final plat is not recorded by such date, this Agreement shall terminate and the Earnest Money shall be refunded to Buyer.
- x. Information Verification Period and Property Condition Disclaimer.** Buyer shall have 10 days after mutual acceptance to verify all information provided from Seller or Listing Agent related to the Property. This contingency shall be deemed satisfied unless Buyer gives notice identifying the materially inaccurate information within 10 days of mutual acceptance. If Buyer gives timely notice under this section, then this Agreement shall terminate and the Earnest Money shall be refunded to Buyer. Buyer and Seller agree, that except as provided in this Agreement, all representations and information regarding the Property and the transaction are solely from the Seller or Buyer, and not from any Licensees. The parties acknowledge that the Licensees are not responsible for assuring that the parties perform their obligations under this Agreement and that none of the Licensees have agreed to independently investigate or confirm any matter related to this transaction except as stated in this Agreement, or in a separate writing signed by such Licensee. In addition, Licensees do not guarantee the value, quality or condition of the Property and some properties may contain building materials, including siding, roofing, ceiling, insulation, electrical, and plumbing, that have been the subject of lawsuits and/or governmental inquiry because of possible defects or health hazards. Some properties may have other defects arising after construction, such as drainage, leakage, pest, rot and mold problems. Licensees do not have the expertise to identify or assess defective products, materials, or conditions. Buyer is urged to retain inspectors qualified to identify the presence of defective materials and evaluate the condition of the Property. Licensees may assist the parties with locating and selecting third party service providers, such as inspectors or contractors, but Licensees cannot guarantee or be responsible for the services provided by those third parties. The parties agree to exercise their own judgment and due diligence regarding third party service providers.
- y. Disclosures in Form 17 or 17C.** If Seller provides Buyer with a disclosure statement pursuant to RCW 64.06 (Form 17 or 17C, whichever is applicable), Buyer may bring an action in tort to recover economic losses resulting from intentional misrepresentations in Form 17 or 17C, and if the parties so agree in Specific Term No. 8, Buyer may bring an action in tort to recover economic losses resulting from negligent errors, inaccuracies, or omissions in Form 17 or 17C. Nevertheless, Buyer is advised to use due diligence to inspect the Property to Buyer's satisfaction, as Seller may not know or have reason to know of defects that careful inspections might reveal. If, in Specific Term No. 8, the parties agree that Buyer will not have a remedy for economic loss resulting from negligent errors, inaccuracies, or omissions in Form 17 or 17C, then Buyer assumes the risk of economic loss that may result from Seller's negligent misrepresentation in Form 17 or 17C. Buyer maintains the right to bring any and all claims permitted under the common law, including fraudulent concealment. Buyer and Seller acknowledge that home protection plans may be available which may provide additional protection and benefit to Buyer and Seller.
